## 1. Definitions

The “Trust” refers to the company known as the University Schools Trust, East London and all Trustees, Governors and Staff who work within it.

A “School” refers to an individual academy within the Trust, as denoted by their Unique Reference Number. As such a ‘school’ may span one or several phases of education to the individual academies within the Trust. Depending on the context the term “School” may refer to a singular academy or to all of the academies within the Trust but as separate entities.

“Staff” refers to any individual who is employed by the Trust or who operates on the Trust’s behalf, e.g. Trustees and Governors.

A “Parent” includes the natural or adoptive parent of a pupil as well as any non-parent / carer who has parental responsibility including being involved in the day-to-day care of a pupil.

A “Pupil” includes any incoming or current pupil at any School within the Trust. It also includes any individual who was previously a pupil at any School within the Trust and who has left within the appropriate timeframe for consideration as necessary, e.g. complaints. The term pupil is used as standard by the UST in its policy documents but can be replaced with the term “student” or “child” with no change of definition.

The “Headteacher” is defined as the individual who has ultimate responsibility for a school in line with UST strategy, approach, ethos and values. Individual schools may have alternative titles for this position such as Executive Headteacher or Principal.

A “Working Day” is defined as a weekday during term time when the School are open to students. As such this excludes staff training days, weekends, school holidays and bank holidays. Each School will have their own term dates that are made publicly available through their website. For the purposes of the Trust a Working Day will be considered to be any day when at least one school is open for students.

A “Concern” is defined as an expression of worry or doubt over an issue considered to be important for which reassurances are sought, as defined by the Department for Education (DfE).

A “Complaint” is defined as an expression of dissatisfaction however made, about actions taken or a lack of action, as defined by the DfE.

## 2. Scope of the Policy

The Trust has adopted this procedure for complaints from people who are parents of students attending any of the academies at the time the complaint is made or who have left within the timeframe for complaints outlined below. The policy is also open to people who are parents of prospective students or from people who are accessing the services of the Trust at the time the complaint is made.

The Trust will usually also follow this procedure when dealing with complaints from others as well. However, the Trust reserves the right to substitute this procedure for an alternative process where it is appropriate to do so. If it deemed appropriate to use an alternative process, then the complainants will be informed about the procedure that will be used as soon as possible after their complaint is received by the Trust.

This procedure does not apply to concerns and complaints relating to the following, which are dealt with under separate policies:

- Admissions
- Exclusions
- Issues Related to Child Protection
- Statements of SEND/EHC Plans
- Staff Grievances or Disciplinary Procedures
- Third-Party Suppliers Using School Premises or Facilities
- Whistleblowing

Where a complaint is made against a member of staff, depending upon the nature and seriousness of the complaint, the matter may be dealt with under separate HR procedures which are strictly confidential, rather than under this Complaints Policy.

All staff will be made aware of this complaints procedure and are expected to review this policy regularly in order that they are familiar with our process of dealing with complaints and can be of assistance when an issue is brought to their attention.

## 3. Policy Aims and Ethos

The aims of this policy are;

- to allow individuals to raise a concern or complaint relating to the Trust, any of its Schools or the services that they provide.
- to ensure that a concern, difficulty or complaint is managed sympathetically and efficiently at the appropriate level and resolved as soon as possible.

Ensuring that these aims are met is good practice, fair to those concerned and helps to promote parents' and students' confidence in the Trust's ability to safeguard and promote welfare.

The Trust will try to resolve every concern, difficulty or complaint in a positive manner with the aim of putting right a matter which may have gone wrong and, where necessary, reviewing the Trust's systems and procedures in the light of the matters raised. The Trust will try to accomplish this by informal means wherever possible. Where this is not possible, formal procedures will be followed.

The Trust will aim to give the complainant the opportunity to complete the complaints procedure in full.

When responding to complaints, we aim to;

- Be impartial and non-adversarial;
- Facilitate a full and fair investigation by an independent person or panel, where necessary;
- Address all the points at issue and provide an effective and prompt response;
- Respect complainants' desire for confidentiality;
- Treat complainants with respect;
- Keep complainants informed of the progress of the complaints process; and
- Consider how the complaint can feed into school improvement evaluation processes.

To support this, we will ensure we publicise the existence of this policy and make it available on the Trust website.

The Trust recognises that when a matter raised is not resolved quickly and fairly it is possible that this can become a cause of resentment, which can be damaging to the relationship between the Trust and the complainant, and can also have a detrimental effect upon the Trust's ethos and culture.

## 4. Links to Legislation and Guidance Documents

This policy meets the requirements as set out in part 7 of the schedule to the Education (Independent School Standards) Regulations 2014, which states that the Trust must have and make available a written procedure to deal with complaints from parents of pupils at the school.

The policy is also based upon guidance published by the Education and Skills Funding Agency (ESFA) on creating a complaints procedure that complies with the above regulations, and refers to good practice guidance on setting up complaints procedures from the Department for Education (DfE). This policy complies with our funding agreement and articles of association.

In addition, it addresses duties set out in the Early Years Foundation Stage statutory framework with regards to dealing with complaints about the school's fulfilment of Early Years Foundation Stage requirements.

We will investigate all written complaints relating to the school's fulfilment of the Early Years Foundation Stage (EYFS) requirements and notify the complainant of the outcome within 28 days of receiving the complaint. The school will keep a record of the complaint and make this available to OFSTED on request.

Parents and carers can notify Ofsted if they believe that the school is not meeting Early Years Foundation Stage requirements, by calling 0300 123 4234 or 0300 123 4666, or by emailing [enquiries@ofsted.gov.uk](mailto:enquiries@ofsted.gov.uk). An online contact form is also available at <https://www.gov.uk/government/organisations/ofsted#org-contacts>

## 7. Unreasonable Complaints

There are rare circumstances where we will elect to deviate from the Complaints Procedure set out in appendix 3. Generally this is because the complaints fall under one of three categories;

- Vexatious Complaints
- Serial, Duplicate and Multiple Complaints or Complaint Campaigns
- Non-compliant Complaints

### 7.1. Vexatious Complaints

These occasions include, but are not necessarily limited to;

- where the complaints are deemed to be obsessive, persistent, harassing or repetitious.
- where the complainant's behaviour towards staff, Governors or Trustees is unacceptable, for example, is abusive, offensive or threatening;
- where, because of the frequency of their contact with the Trust/academy, the complainant is hindering the consideration of their or other people's complaints and/or the proper running of the Trust/academy;
- where the complaint has patently insufficient grounds; or
- where the complainant's complaint is the same, similar to or based on the same facts of a complaint which has already been considered in full by the Trust.

### 7.2. Serial, Duplicate and Multiple Complaints (Complaint Campaigns)

These occasions include, but are not necessarily limited to;

- If a complaint is received by the Trust from the same person about the same or similar subject once the initial complaint has been completed.
- New complaints, as additions as part of an ongoing and open complaint.
- If the Trust receives a large volume of complaints that are based upon the same subject.

### 7.3. Non - Compliant Complaints

These occasions include, but are not necessarily limited to;

- Refuses to articulate their complaint or the outcomes sought despite offers of assistance.
- Refuses to cooperate with the complaints investigation process.
- Refuses to accept that certain issues are not within the scope of a complaints procedure.
- Insists on the complaint being dealt with in ways outside of the complaints procedure.

- Introduces trivial or irrelevant information and insists they are acted upon.
- Makes unjustified complaints about staff dealing with the complaints.
- Changes the basis of the complaint as the investigation proceeds.
- Refuses to accept the findings of a properly implemented and completed process.
- Seeks an unrealistic outcome.
- Uses falsified information.
- Makes excessive demands on school time by frequent, lengthy, complicated and stressful contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with.

#### 7.4. Actions Relating to Unreasonable Complaints

In these circumstances, the Trust may depending on the nature of the unreasonable complaints utilise the following approaches;

- inform the complainant that their behaviour is unacceptable or unreasonably persistent and ask them to address it;
- restrict the complainant's access to the Trust e.g. requesting contact in a particular form (for example, letters only), requiring contact to take place with a named person only, restricting telephone calls to specified days and times or banning the complainant from the Trust's premises;
- conduct a Review Panel using the papers only i.e. not hold a hearing;
- refuse to consider the complaint and refer the complainant directly to Stage 4.
- respond to all complainants with a single response which may be communicated through post sent to the individual complainants or be distributed via the Trust's website.
- inform the new complainant that the School / Trust has already considered that complaint and the local process is complete.
- advise the complainant that they can continue their complaint either through a request to escalate to the Trust (in the case of a school complaint) or submit to the ESFA (in all cases).

In all cases the Trust will write to tell the complainant why we believe his or her behaviour is unreasonable and what action we are taking and the duration of that action.

A decision to stop responding will only be considered in circumstances where;

- every reasonable step has been taken to address the complainant's concerns.
- the complainant has been given a clear statement of the trust's position and their options.
- the complainant contacts the trust or any of its academies repeatedly, making substantially the same points each time.

Where the behaviour is so extreme that it threatens the immediate safety and welfare of other individuals, we will consider other options, for example reporting the matter to the Police or taking legal action. In such cases, the Trust reserves the right to not give the complainant prior warning of that action.

## 8. Where to Direct Your Complaint

### 8.1. School Directed Complaints

If your complaint is relating to a school-based event or member of staff at a school within the Trust or a school more generally then the complaint should be directed to the school in question. More information regarding this can be found in section 11.2.

### 8.2. Trust Directed Complaints

If your complaint is relating to an event run by the trust rather than an individual school or is regarding a member of the central trust staff then the complaint should be directed to the central staff team. More information regarding this can be found in section 11.2.

Complaints directed to the Trust regarding an individual school will usually not be considered by the Trust until the school has completed its own complaints process as set out in this policy.

If, after the school has completed its full complaint procedures, the complainant wishes to escalate the complaint to the Trust they may do so within 10 working days of being notified of the outcome of the schools complaints procedure.

The Trust will decide on a case-by-case basis whether to investigate the complaint further at the Trust level. An escalated complaint will usually only be reviewed if there is evidence that the original school procedures or outcomes were demonstrably flawed. If the Trust does decide to take up the escalated complaints process then it will follow the procedures as set out in appendix 3.

Please note that sending the complaint to the incorrect location may cause a delay in response.

### 8.3. Complaints Against the Headteacher or Governor

Please be aware that the process as outlined in Appendix 3 will still be followed.

- In the case of a complaint against the Headteacher or a Local Governor of a School the complaint should be directed to the Chair of the School Committee.
- In the case of a complaint against a School Committee as a whole the complaint should be directed to the Chair of the Board.
- In the case of a complaint against the Chair of the School Committee the complaint should be directed to the Vice Chair of the School Committee. If there is no Vice-Chair in position then this will be directed to the Chair of the Trust Board.

### 8.4. Complaints Against the Trust Leader or Trustee

Please be aware that the process as outlined in Appendix 3 will still be followed.

- In the case of a complaint against the CEO or a Trustee of the Trust the complaint should be directed to the Chair of the Board.
- In the case of a complaint against the Chair of the Board the complaint should be directed to the Vice Chair of the Board.

## 12. Appendix 3 – Procedures and Processes

### 12.1. Principles of Process

In order to investigate your complaint as fully as possible, the Trust has adopted a four staged system for addressing complaints;

- Stage 1 - Informal
- Stage 2 - Formal
- Stage 3 - Review Panel
- Stage 4 - ESFA

We anticipate that almost all complaints that arise will be resolved at through the processes in Stage 1 or Stage 2.

The details of each stage can be found further in this appendix.

To enable a proper investigation, concerns or complaints should be brought to the attention of the Trust as soon as possible. The Trust takes the position that any matter raised more than 3 months after the event will not be considered. The Trust may, under what it considers to be exceptional circumstances, make exceptions to this position. Due to the individualised nature of complaints, exceptional circumstances granted will not set a precedent for any future complaints.

When investigating a complaint, we will try to clarify;

- What has happened;
- Who was involved; and
- What the complainant feels would put things right.

This process can be assisted through the use of the complaint form found in appendix 5.

If, at any stage, the Trust believes that the concern or complaint is vexatious, has insufficient grounds, has already been considered in full or has been closed, the Trust may write to you to refuse to consider the concern or complaint under this procedure outlining the reasons why. In this eventuality, the individual with the concern or complaint may proceed directly to Stage 4 of this procedure.

Anonymous concerns or complaints will not be investigated under this procedure unless there are exceptional circumstances.

If, at any point, it becomes necessary to alter the time limits and deadlines set out within this procedure, the complainant will be advised accordingly and given an explanation as to why this has been the case. Revised timescales will be provided at the earliest opportunity.

A written record will be kept of all complaints, including at what stage they were resolved. Correspondence, statements and records relating to individual complaints will be kept confidential by the Trust except where access is requested by the Secretary of State or where disclosure is required in the course of an inspection or under other legal authority.

## 12.2. Part 1 – Raising a Complaint

### 12.2.1. Stage 1 – Informal

Many concerns can be resolved by simple clarification or the provision of information, wherever possible the Trust would seek to address these concerns through dialogue with the individual raising the concerns and, where necessary, wider.

Where a complaint is about the UST, it would be recommended to communicate directly via the UST office. This may be by email, letter, by telephone or in person by appointment, requested via the UST office (see appendix 1).

Where the complaint is about a member of staff, it is normally appropriate to communicate directly with them in the first instance. This may be by email, letter, by telephone or in person by appointment, requested via the School or UST office (see appendix 1).

Where a complaint concerns your child or a child attending a School within the Trust, it is recommended to communicate directly with the Pastoral Lead for their year group or an associated member of the Senior Leadership Team.

Where the complaint is about a member of Trust staff, it is normally appropriate to communicate directly with them in the first instance. This may be by email, letter, by telephone or in person by appointment, requested via the School or UST office (see appendix 1).

We value informal meetings and discussions and encourage parents to approach staff with any concerns they may have and aim to resolve all issues with open dialogue and mutual understanding. If you wish to hold a meeting to discuss your concern or complaint, please explain the nature of your concern or the complaint in advance when contacting the school or use the Meeting Request Form provided (appendix 4). Upon receipt of a request regarding an informal complaint the Trust will acknowledge receipt and provide further details within 2 working days.

In the case of serious concerns, it may be appropriate to address them directly to the Headteacher of the School. If you are uncertain about who to contact, please seek advice from the Trust office.

It is anticipated that most complaints will be resolved by this informal stage within 15 working days of being notified of the complaint.

### 12.2.2. Stage 2 – Formal

If your concern or complaint is not resolved to your satisfaction at the informal stage or you wish the complaint to be dealt with immediately as a formal complaint, you should put your complaint in writing within 10 working days of the outcome of stage 1.

To assist in addressing the complaint in a timely manner your written complaint should include details that may aid the investigation, this may include;

- the nature of the complaint
- details of how the matter has been dealt with so far
- the names of potential witnesses

- dates and times of events and copies of all relevant documents.

It is very important that you include a clear statement of the actions that you would like the Trust to take to resolve your concern. You may wish to use the Complaint Form provided in appendix 5 and your written complaint will be acknowledged within 5 working days of receipt.

You may be invited to a meeting to clarify your concerns and to explore the possibility of an informal resolution. If you accept that invitation, you may be accompanied by one other person such as a relative or friend, who should not be legally qualified, to assist you in explaining the nature of your concerns. Where possible, this will take place within 10 working days of receipt of the written complaint.

Where you decline the invitation to a meeting or the complaint cannot be resolved through a meeting, arrangements may be made for the matter to be formally investigated.

If necessary, witnesses will be interviewed and statements taken from those involved. If the complaint centres on a student, the student should, where appropriate, also be interviewed. Students should normally be interviewed with their parent present, but if this would seriously delay the investigation of a serious or urgent complaint or if the student has specifically said that they would prefer that their parents were not involved, another member of staff with whom the student feels comfortable and is not involved in the complaint should, if possible, be present.

If a member of staff is complained against, they must have the opportunity to present their case.

Once all the relevant facts have been established as far as possible, as the complainant, you will be provided with a written response to the complaint, including a full explanation of the decision.

- In the case of a School this will be by the Headteacher.
- In the case of the UST this will be taken by the CEO.

This will usually be complete within 20 working days of the investigation beginning.

This will include what action the Trust will take to resolve the complaint (if any). You will be advised that if you are dissatisfied with the outcome of the complaint, you may request that your complaint be heard by the Review Panel. This request must be made within 10 working days of the outcome of stage 2 (Appendix 6 - Review Request Form).

### 12.2.3. Review Panel Process

Unless otherwise stated, the procedure for an appeal is as follows:

- a panel of at least three people will be convened. The panel composition will be such that;
  - all individuals are not directly involved with the matters of the complaint; and
  - at least one individual will be independent of the running and management of the school. The Trust's preference is that this would be independent of the entire Trust but in the case of complaints at the school level it may include individuals from other schools within the Trust.
  - all individuals will be independent of the entire Trust if the complaint relates to the majority or all of the Trustees.

- the complainant and Trust representative (usually the Headteacher or CEO) will enter the hearing together
- the complainant may be accompanied by one other person such as a relative or friend, who should not be legally qualified, to assist you in explaining the nature of your concerns.
- the Chair of the Review Panel will introduce the panel members and outline the process
- the complainant will explain the complaint
- the Trust representative and committee members will question the complainant
- the Trust representative will explain the UST / School's actions
- the complainant and the committee members will question the Trust representative
- the complainant will sum up their complaint
- the Trust's representative will sum up the UST / School's actions
- the Chair of the panel will explain that both parties will hear from the committee within 5 working days
- both parties will leave together while the panel decides
- the Governance Professional, or nominated deputy, will stay to assist the panel with its decision making

After the hearing, the Panel; will consider their decision and inform you and the Trust of their decision in writing within 5 working days. The letter will set out the decision of the committee together with the reasons underpinning that decision. The Panel can:

- Request further information from you and/or the Trust to assist them in making their decision
- Dismiss the complaint in whole or in part
- Uphold the complaint in whole or in part
- Decide on the appropriate action to be taken to resolve the complaint
- Recommend changes to the Trust / School's systems or procedures to ensure that problems of a similar nature do not reoccur.

#### 12.2.4. Stage 4 - ESFA

If you are dissatisfied with the decision of the Review Panel, you are entitled to refer your complaint to the Education Funding Agency who have limited powers to review the academy's handling of the complaint in accordance with ESFA's 'Procedure for dealing with complaints about Academies'.

At the time of writing this procedure, the ESFA procedure and the ESFA school complaints form are available at [www.education.gov.uk/schools/leadership/schoolperformance/b00212240/making-complaint-school](http://www.education.gov.uk/schools/leadership/schoolperformance/b00212240/making-complaint-school)
