1. Definitions

The “Trust” refers to the company known as the University Schools Trust, East London and all Trustees, Governors and Staff who work within it.

A “School” refers to an individual academy within the Trust, as denoted by their Unique Reference Number. As such a ‘school’ may span one or several phases of education to the individual academies within the Trust. Depending on the context the term “School” may refer to a singular academy or to all of the academies within the Trust but as separate entities.

“Staff” refers to any individual who is employed by the Trust or who operates on the Trust’s behalf, e.g. Trustees and Governors.

A “Parent” includes the natural or adoptive parent of a pupil as well as any non-parent / carer who has parental responsibility including being involved in the day-to-day care of a pupil.

A “Pupil” includes any incoming or current pupil at any School within the Trust. It also includes any individual who was previously a pupil at any School within the Trust and who has left within the appropriate timeframe for consideration as necessary, e.g. complaints. The term pupil is used as standard by the UST in its policy documents but can be replaced with the term “student” or “child” with no change of definition.

The “Headteacher” is defined as the individual who has ultimate responsibility for a school in line with UST strategy, approach, ethos and values. Individual schools may have alternative titles for this position such as Executive Headteacher or Principal.

“Cookies” are small text files that are placed on to your device when you first visit a website.
